

Part Two

Special stitch: Cable – skip stitch, dc into the next three, dc back into the skipped stitch

Round 7: ch3 (dc) dc again, dc first st *cable* to last st, dc into corner (dc2, ch2, dc2), repeat on all sides, omitting last two dc and slst into starting chain, change yarn - 70 sts, 16 cables

Round 8: ch3 (dc), dc next three dc back into corner (creates cable and corner stitch) *cable* to last three sts, skip one dc next two, dc into corner, dc back into skipped, working the corner (dc, ch2, dc), repeat on all three sides, omitting last dc and slst into starting chain, change yarn - 74 sts

We are now going to work just each side completing a brick effect pattern. I've completed this in four different colours but you could do it in one colour, striped or whatever takes your fancy.

Row 9: starting in a corner and working along one side, ch3 (dc) in the chsp, bldc to the end, dc in chsp and turn - 76 sts (this remains the stitch count for this section)

Row 10: ch1 (sc), scfl to the end, sc last st, turn

Row 11: ch2 (dc) dc next, *dcfl into the dc from two rows below, skip 1, dc 3* repeat to last two, dcfl, skip 1 and dc next, turn

Row 12: repeat row 10

Row 13: ch2 (dc) *dc3, dcfl into the dc from two rows below, skip 1* repeat to end, dc last three, turn

Rows 14 to 17 – repeat 10 to 13 above

Complete rows 9 to 17 on all four sides

Using the four left over hearts from Part One, with good sides facing, match stitches to stitches sc through both loops to the corner, on the post side of the square join with 1 sc in the sc rows and 2sc in the dc rows – 12 sts each side

Round 18: start in the corner of one of the heart squares, ch3 (dc) dc again, *skip the hidden stitch, and dc all stitches to the end, completing 10 dc across the heart square, dc2 in the corner, dc across the brick border (75 sts), dc2 in the corner, dc 10 across the heart to the next corner (dc2, ch2, dc2)* repeat on all sides, omit the last dc2 and slst into starting ch - 103 sts
